

**Galt Joint Union Elementary School District
Chromebook User Agreement
2020-21 School Year**

My child and I agree to read and discuss the terms of the Galt Joint Union Elementary School District's Technology Handbook for Parents and Students which is located on the school website. A hard copy of the Technology Handbook can be picked up in the school office or BFLC.

We understand that there is ***not*** an option for Chromebook insurance through the school district but we could seek a third party insurance company on our own if we desire insurance.

The following are estimated costs of the Chromebook parts and replacement:

- Total replacement of Chromebook: \$200
- Replacing screen: \$25
- Replacing keyboard/touchpad: \$20
- Replacing battery: \$10
- Replacing power supply/cord: \$25
- Replacing Chromebook Bag: \$15

We understand that we are responsible for damages and will be charged appropriately for the estimated costs of Chromebook parts or replacement.

Families can opt-out of taking the device home if ***all*** of the following requirements are met:

- Child has access to a laptop or computer at home
- Child has access to internet
- Chrome is used as the web browser on the home device
- Device can access Google Apps (Google Docs, Clever, Google Drive, etc).

We would like to opt-out of the 1:1 device take home program and will provide my child with all of the above requirements. We understand that during the school day my child will be provided with a Chromebook. We understand that we are responsible for damages and will be charged appropriately for the estimated costs of Chromebook parts or replacement.
